## Sektorspezifische Informationen

The screenshot shows a tooltip for 'Participating organisations' with a question mark icon. A yellow arrow points from the question mark icon to the text 'identification number (OID)'. The tooltip contains the following text:

To complete this section you will need your organisation identification number (OID).

**Section information**

This section covers information about the applicant organisation and about other organisations involved. All organisations included in the application, including informal group of young people, whether they act as applicant, partners or consortium members, need to be registered in order to receive an Organisation Identification Code (Organisation ID) through the [Organisation Registration system for Erasmus+ and European Solidarity Corps.](#)

The Organisation ID is a unique identifier for the organisation within the whole Erasmus+ Programme. It should be requested only once per organisation and used in all applications for all Erasmus+ actions and calls. Organisations that have previously registered for an Organisation ID should not register again. If an organisation needs to change some of the information linked to the Organisation ID, this can be done through the Organisation Registration system for Erasmus+ and European Solidarity Corps.
