

eTwinning Danube Region Conference: Online Edition, 4 June 2020

List of projects

This year's Danube Region Conference was organised online for the first time due to the pandemic. Despite the exceptional circumstances and a shorter duration, it was a great success. In total, there were 16 project ideas that were submitted in advance, of which 11 found interested partners and were further developed for cooperation.

#	Project title	Countries involved	Description
1	Mental health and positive relationships	Moldova Ukraine	The goal is to create positive relationships between 11-18-old students, through activities that would engage them in socializing and mutual respect.
2	Discover Europe!	Bulgaria Moldova Ukraine	14-16-old students will get to know little known and beautiful sites in Europe. Using English, they will enrich their language, geography and technology skills.
3	SEA you in literArture	Romania Austria	The goal is to work with 14-19-year-olds to create a connection between art, the Danube and the sea.
4	Unity & Diversity (& a bit of business)	Austria Czech Rep. Hungary Slovakia	Goals: Exchange ideas/challenges/opportunities for youth and experience unity and diversity (16-17-year-olds).
5	My country – my home	Czech Rep. Bulgaria Romania Ukraine	Each team will create or buy a mascot that will travel to other countries and send messages (letters) home.
6	Mathematics beauty	Moldova Bosnia and Herzegovina	In this project, 10-17-year-old students will explore the beauty of mathematics in everyday life.
7	Escape games/History unites us	Czech Rep. Slovakia Austria	Get to know the sights of the countries involved.
8	Home towns	Croatia Slovenia Romania Moldova	The aim would be to collect and process information about our home town and to make an information booklet about students' country, town/city, school. (6-10-year-olds).
9	NET-WALKERS (media literacy, e-safety, digital skills)	Slovakia Austria Romania Germany	Develop awareness of internet threats, development of creativity when using different digital tools, getting to know you better, learning through collaboration. (14-19-year-olds)
10	Languages Day and Night	Slovakia Germany Hungary Czech Rep.	Explore language learning with 12-15-year-old students.
11	The nature doesn't sleep	Czech Rep. Bosnia and Herzegovina	Focus on the cycle of nature in our countries.
